A Message from the Mayor

On behalf of my colleagues on City Council and the citizens of Vancouver, it is my pleasure to extend my very best greetings for the online edition of the 27th RENDEZ-VOUS French Film Festival.

Visions Ouest Productions' mission is to provide the French-speaking and the Francophile communities of British Columbia with artistic, cultural and educative programs and services recognized for their quality and their innovative aspect and to contribute to the blooming of the Francophone community.

By providing a platform for artists to showcase their films, this festival celebrates dynamic Francophone culture in Canada. These artists provide world-class pieces for us all to enjoy, and I want to commend the filmmakers, organizers and volunteers for providing us with a glimpse into the talent that lives amongst us.

I hope everyone has a wonderful experience!

Sincerely,
